

Freunde sind füreinander da.
In jeder Not,
egal ob fern oder nah,
auch wenn droht der Tod.

Mund verschlossen wie 'ne Truhe.
Solange du versprochen.
So hast du deine Ruhe
und nicht sein Herz gebrochen.

Wichtig ist Meinung,
Die verletzen kann,
Egal ob Charakter oder Kleidung,
Helfen kann sie jedermann.

Friends are here for you
In every pain
It isn't important if close or faraway
Also when we are even dead

The mouth is close like a chest
As long as you have promised
So you have your silence
And his heart isn't broken

Important is opinion,
That can hurt,
It isn't important if character or clothes,
She can help everybody

My friend wants to pretend
that I have to invent
a new band.
But my hand
is going to send
a letter to my friend
on the land.
My intent
is not to offend.
He should lend
a new band
from his other friend.
But he who does lend
loses his friend.
That's the end!

Poem written by Selina and Julia

My mate is Kate.
I met her at the gate.
I thought she was great.
She wanted to go to Applegate.
I knew she had a date.
With a boy that I hate.
His name is Robert Nate.
He is always late.
And I saw him with a girl called Sarah Shate.
Now I`m thinking about :“ Should I be
straight?“
And say:“ Kate, you are betrayed.
It is Robert Nate with Sarah Shate.“
